The first meeting of the Traffic Management Committee which was constituted during September 2011 was convened by the Chairperson on October 15, 2011 at the Traffic Police Station, Jeevan Bima Nagar, Bengaluru – 560075.

Sri. Balajee Vaidhyanathan, Secretary, Residents Forum re-submitted a copy of the representation requesting for putting up of speed breakers across the colony. Sri. M.S.Anand, President, Residents Forum read out the following list of issues to be taken note of.

1. Requirement of speed breakers vide our letter dated October 27, 2010 in order to prevent over speeding of vehicles.
2. Putting up signboards indicating no parking zone, fixing speed limits and preventing HTV in the colony.
3. Removal of Illegal parking of maxi-cabs, tractors, bullock-carts and other Heavy Vehicles across the colony.
4. Monitoring of over speeding vehicles especially 2 wheelers, inside the colony.

5. Monitoring of miscreants gathering and committing nuisance on 11th cross in between the intersection of 7th and 8th mains by parking 2 wheelers haphazardly and arresting the smooth flow of traffic.
6. Removal of 4-wheeler parked on 9th A Main, behind police quarters.
7. Putting up of steel girders on 9th and 11th crosses to control HTV movement.

The above issues were discussed in detail and possible remedial measures were also suggested. The Chairperson took note of all the points mentioned above and assured to depute the staff for regular patrolling in the colony. The Chairperson assured that at the 1st phase the speed-breakers would be put up on 9th and 11th crosses at the earliest. Regarding installation of steel girders she informed that due to scarcity of funds, they are unable to take-up this issue and further she suggested to put up the required infrastructure from the Forum if there are no objections from the residents.

Finally the Chairperson thanked all the participants for having enlightened her about the various issues in the colony and expected more participation in the forth coming meetings which would be convened on 3rd Saturday of every month.
