I extend my wishes on the occasion of Independence Day. Its a great feeling to celebrate the nationhood of this great country on 65<sup>th</sup> Independence Day. But unfortunately a couple of developments with regard to people from North-East states wherein certain rumours have instilled a sense of fear among these people is a matter of concern.

This issue has been taken as a top priority at all levels of Government. We the team of Bangalore City Police under the guidance and leadership of our Commissioner Shri. B.G.
